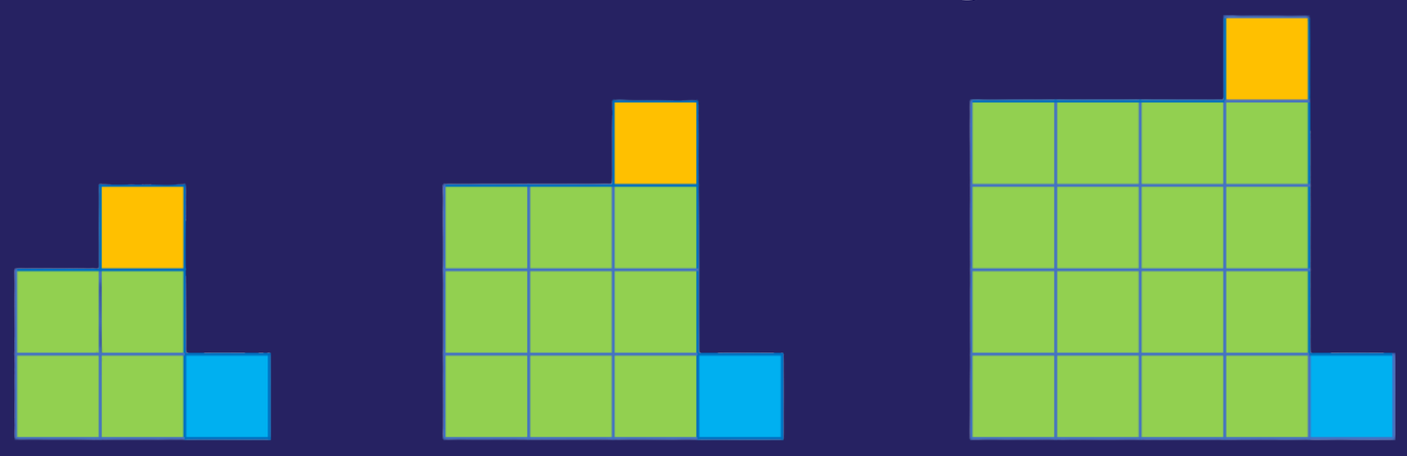
Workshop

Exploring the Transition from Primary to Post-Primary Maths



Tuesday 03/05/22
17:00 – 19:00
Drumcondra EC
and
Cork EC

Thursday 05/05/22
17:00 – 19:00
Kildare EC

Wednesday 11/05/22
17:00 – 19:00
Wexford EC

The PDST Post-Primary Maths and Primary STEM teams are delighted to invite Primary and Post-Primary teachers to register for our upcoming workshops exploring transitions from primary to post-primary Maths. These two hour events will investigate common challenges in pupils' experience of transferring their mathematical learning from primary to post-primary settings. While focusing on the key area of algebra, teachers will gain a greater understanding of both primary and post-primary curricula and identify common strategies to develop pupils' understanding of fundamental aspects of algebra. Key components of these workshops will be the use of rich tasks and teachers sharing their practice and collaborating across the sectors.

Book your place at **www.pdst.ie/onlinebooking**. Places will be allocated on a first come first served basis so book early to avoid disappointment.
