

# Primary Number Sense Workshop

PDST presents two workshops on developing number sense with young pupils (Junior Infants - 2nd Class). Number sense focuses on "classroom conversations around purposefully crafted computation problems that are solved mentally (Parrish 2014)". Through practical activities, we will illustrate how teachers can help all pupils develop a deeper, more intuitive, understanding and flexibility when working with numbers.

VENUE	DATE, DAY 1	DATE, DAY 2	TIME
Athlone Education Centre	17th May 2018	24th May 2018	16:00 - 18:00
Blackrock Education Centre	16th May 2018	23rd May 2018	16:00 - 18:00
