

Workshop for Infant Teachers: Play-based Mathematics

Meet Mathy. Throughout these two workshops Mathy will offer practical approaches to planning and assessing play-based learning in Maths. The workshops are suitable for teachers new to Aistear and also for those with Aistear experience, as they look at play through a mathematical lens. Participants will learn practical suggestions for developing maths language, how to plan playful lessons, and activities for teacher-led and child-led play.

VENUE	DATE, DAY 1	DATE, DAY 2	TIME
