

Language Symposium Envisioning the Language Classroom

Tá sceitimíní áthais ar an bPDST fáilte a chur romhaibh chuig ár gcéad siompóisiam teanga. The PDST are excited to invite you to our very first language symposium, a symposium where we will explore both first and second language instruction in the primary school. Join us as we delve into and unpack the underlying themes of the Primary Language Curriculum; themes such as play, transfer of skills and oral interactions. Our discussions will lead us to envision what a highly effective language classroom looks like in the context of our new language curriculum.
