

## Elective Workshop for Teachers of Junior Cycle

Venue: Drumcondra Education Centre

Date: Sat 28 March 2020

Times: 10.30-3.30pm

### *Wired: Exploring Drawing through Etching* JCT with Mary Murphy

The workshop will give participants the opportunity to experiment with drawing and mark making through the print etching process. The workshop will explore the possibilities of drawing from primary sources, with a particular focus on idea generation and using an etching process which is suitable for the classroom.

Mary Murphy, a native of Armagh, graduated from the University of Ulster, Belfast in 1988 with BA Hons in Fine Craft Design, Jewellery. A member of The Design and Crafts Council of Ireland's education panel, Mary is particularly interested the design processes and experimenting using a wide range of mediums including print.
