

Supporting Motivation in Literacy

Wednesday, 25th November

7.00 - 8.00pm

How can children be motivated as listeners, speakers, readers and writers across languages? This webinar will highlight practical ideas to help foster an environment that is engaging for all children. We will explore strategies to encourage social interactions, facilitate meaningful choice and use a range of texts to support motivation. A range of useful resources will also be highlighted which can support engaging learning experiences in your learning environment.

This webinar is a collaboration between the PDST and ESCI
