

REBEL

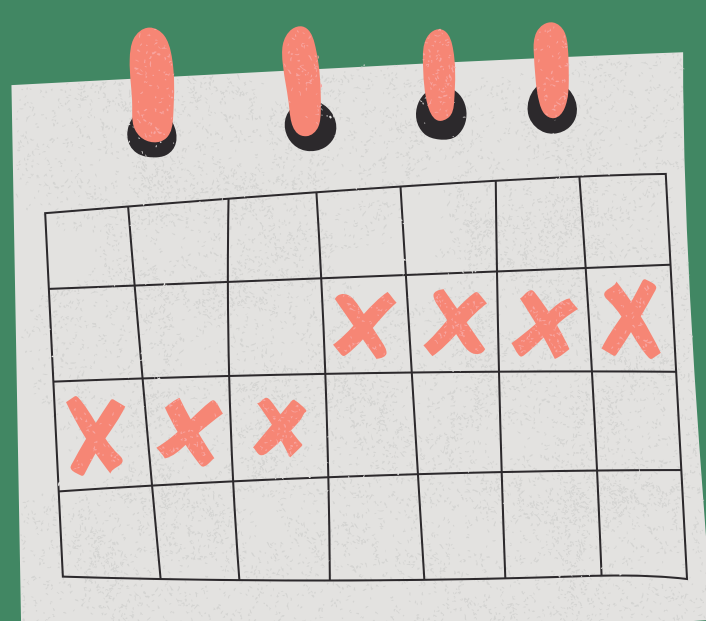

REPURPOSING EDUCATION THROUGH BLENDED LEARNING (REBEL) PROJECT

6 week self-directed programme to explore a variety of aspects relating to blended learning, including how to create a blended learning action plan for your class

2 teachers per participating school will receive PDST Digital Technologies advisor support via fortnightly online group check-ins

This Erasmus+ pilot programme runs from March 7th to May 19th

You will be provided with a range of approaches to blended learning to try out with your class

For key info and expression of interest form, please visit pdst.ie/REBEL-primary.
