

# Leaving Certificate Applied Mathematics

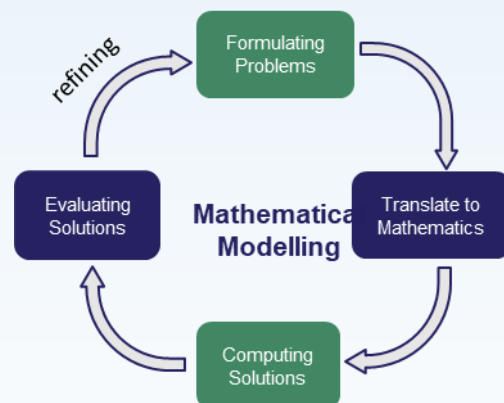

## End-of-Year Webinar

In ongoing support of teachers implementing the new Leaving Certificate Applied Maths specification, an end-of-year webinar will be held on Thursday, May 26th, 2022. The seminar will be delivered online via Zoom and is open to all teachers who are interested in teaching Applied Mathematics.

The webinar will provide participants with the opportunity to revisit a number of topics which were explored throughout this year's seminars and identified by teachers as requiring further support. These include:

- Project Scheduling
- Bellman's Principle of Optimality
