NATIONAL AWARD

The Wellread National Award was inaugurated in 2015 to honour the fantastic promotion of reading for pleasure by schools across the country. The registration window for schools is now opening. Oide would like to invite schools to register their interest in October 2023. The Wellread National Award aims to promote the development of a reading culture in school communities. The award requires the involvement of all stakeholders including students, teachers, parents and the wider community in reading and associated activities.

To support schools in their engagement with this award, we would like to invite teachers to attend an online Wellread National Award Information Session. This session will outline ways in which schools might explicitly foster and nurture a reading culture in your school, including exploring practical considerations concerning the reading environment and establishing reader networks

This webinar will take place on the following dates:

<p>Thursday, October 5th 2023 7pm - 8.15pm</p>
<p>Tuesday, October 10th 2023 6.30pm - 7.45pm</p>
