

CHILDREN & YOUNG ADULT ART COMPETITION

'MY UNIQUE BRAIN'

Promotional Resource Pack

Overview

The "My Unique Brain" Art Competition invites children and young adults, including those with additional needs and disabilities, to creatively express what their unique brain means to them. This initiative aims to encourage inclusivity and raise awareness about neurological conditions through the creative arts.

Building on the success of our "Head with Harmony" fundraiser event in September 2023—an effort led by Colette Delahunt and other members of our Patient Involvement Panel—the competition continues our commitment to promoting brain health and involving the public in everything we do.

We are thrilled to have your support for this initiative. We hope this promotional resource pack provides everything you need to get involved and help us raise awareness about the "My Unique Brain" Art Competition.

Competition Details

Theme: My Unique Brain

Entry Sizes: A4 (29.7cm x 21.0cm) to A2 (59.4cm x 42.0cm)

Materials: Any type of paper or canvas; use pencils, charcoal, ink, crayons, markers, pastels, watercolors, gouache, acrylics, oils, poster colors, collage, or print methods (e.g., lino or wood block).
